Dear Mr. Deng Ming
Sorry for my late answer, as we came back to Israel just now and start to schedule the journey to China.
We shall go for a private trip, prior to the official one, around August 15.
We will arrive to **Beijing** on **September 3** (details of flight will follow, as right now we don't know yet where will be our last private destination in China and from where we will arrive to the capital)

And leave **Shanghai terminal 2 on September 10 with UA 858 to San Francisco.**

Mr. Ehud Barak diplomatic passport no. 39901689 will be accompanied by his wife, Nili Priell Barak, diplomatic passport no. 39901690 and most certainly by 2 security details, whose names it is too early to know.

Concerning your third question, apart from the list we have provided, we don't have for the time being new information. We are sure you will do the best possible. If we get more information, we will let you know immediately.

best regards,
Nili Priell Barak
